

1ST GRADE newsletter

MAY

WHAT WE ARE LEARNING

LA - The students are learning about characters, setting, and sequence in stories.

Math - We are using addition and subtraction to solve story problems and will be beginning a unit on 3-D shapes.

Science - The students will begin to grow their very own scarlet runner plant in our classroom. We will watch the plants grow and track the growth.

Social Studies - We are learning about changes that happen from past to present and are looking forward to our Pioneer Day happening this month!
